Tohiscan, Volume LVIII

Toppenish Senior High School

Toppenish, Washington

Learning - it's a never ending process!

High School - it's only three years; so make the most of it.

Make most of it, not only by learning facts and figures, but more important by learning about yourself and human values. Values which deal little with material objects but are placed on that rare form of courage in which someone does something just because IT'S RIGHT - a smile for a fellow man, trust and faith in God, and eventual peace.

Guy Hoon A.S.B. President

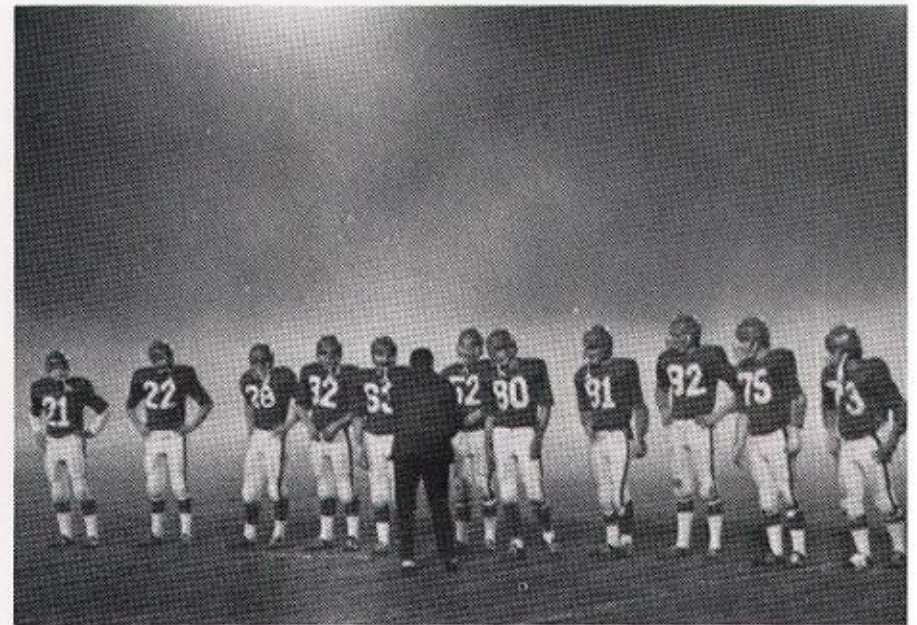

Fall Brings Flowers, Finals, Football

AUGUST—School days are here again as sophomores, juniors, and seniors arrive at the high school gym on a bright, sunny morning. ASB President Guy Hoon gives the welcoming speech, reminding students that we must all work together for a better school and world, yet urging us not to go along with the crowd.

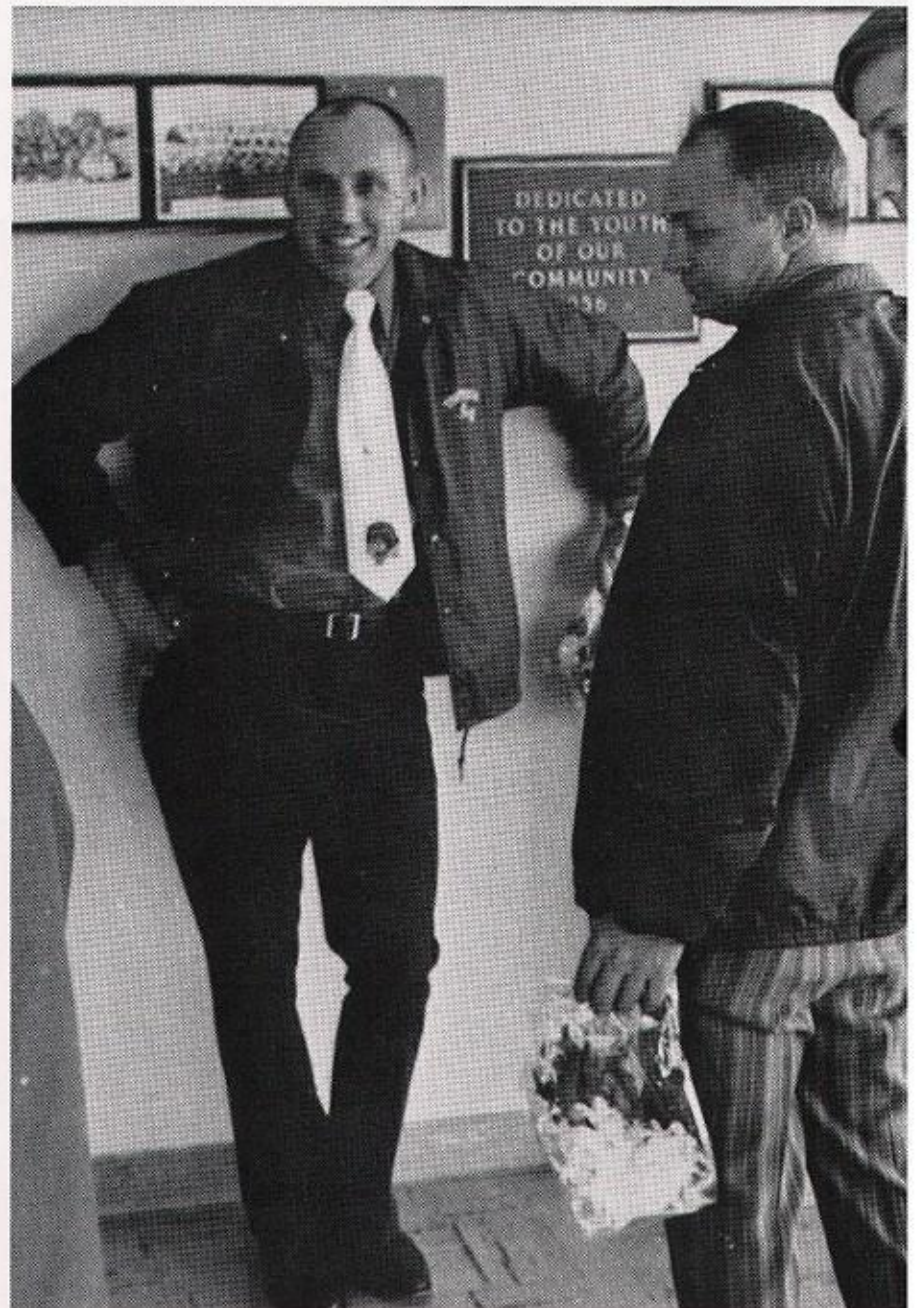

SEPTEMBER—Cross country, tennis, football, drill team, Tohiscan, and Caterwaul recruit new members. ASB pictures and Tohiscan distribution, hall sales, and boosters follow in rapid succession.

OCTOBER—School is well on its way. Fall days are crowded with: Ski Club, GAA initiation, Food bank, Graffiti board, and class ring orders. The seniors and faculty have their pictures taken by Bruno Studios.

NOVEMBER—Homecoming excitement grips everyone; the parade on Thursday Nov. 4th and the game with Selah on Friday, the 5th. Tohiscan hall sales end, quarter tests are taken, a class play is presented, seniors vote on graduation announcements, report cards come out—Dooms Day, football season ends, basketball begins, along with wrestling and intramurals. The annual football banquet is held for players and mothers.

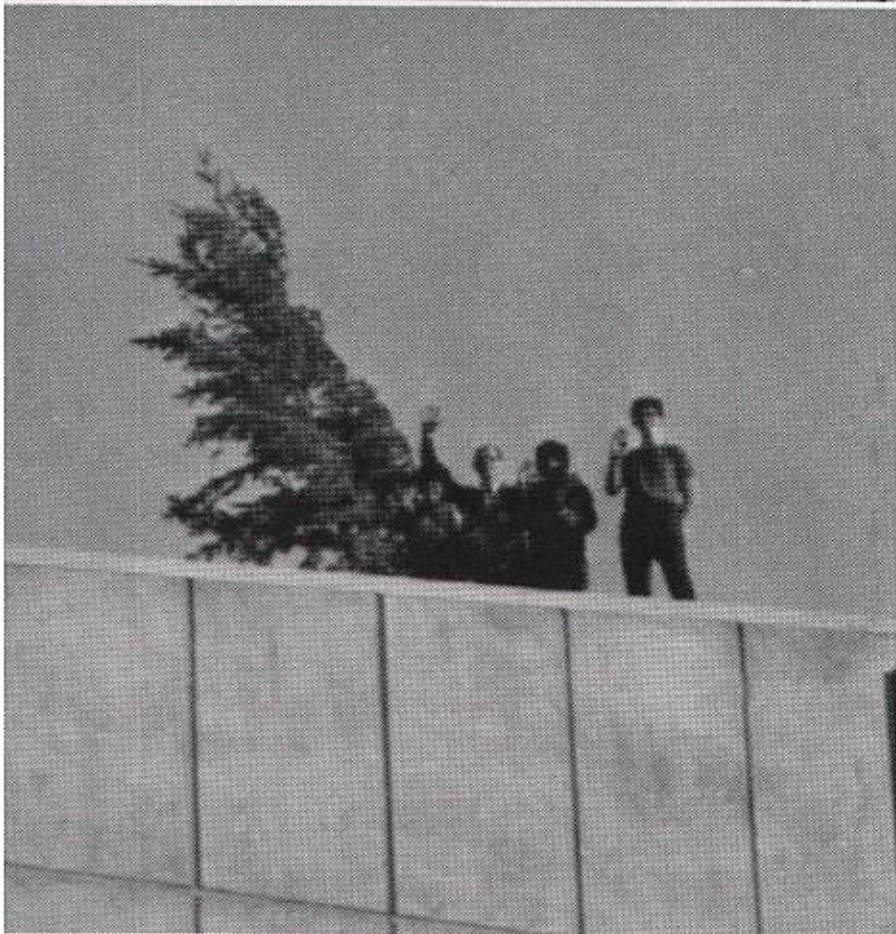

"CALIFORNIA DREAMIN'" Laurel Murray does her homework on the grass as warm days stay with Top-Hi.

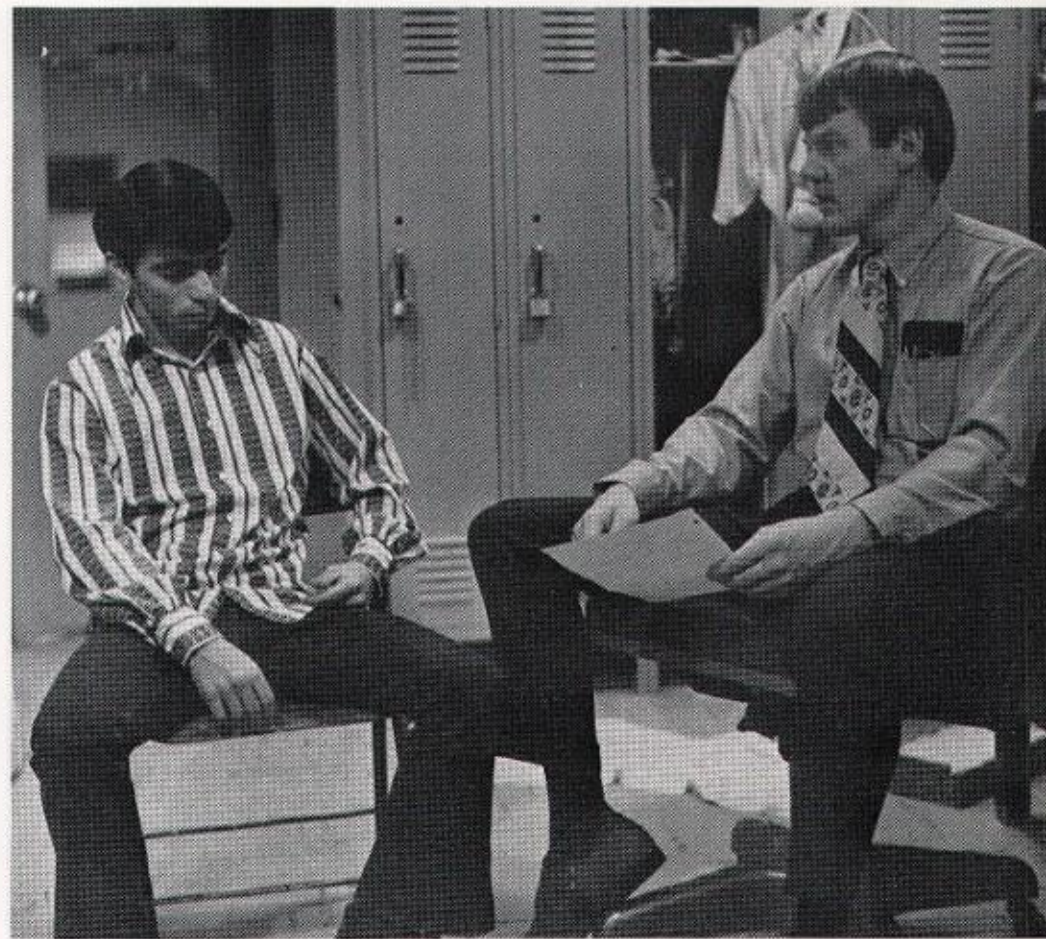

MUMS THE WORD—Coaches Winters and VanLeuven make ready for homecoming flower delivery.

ONE, TWO, THREE . . . Coach VanLeuven gives the football players some last minute advice as they line up.

HERE WE GO AGAIN—Mr. Lott climbs stairs and ladder as he has for many years previously with Talon members to place a Christmas tree on the gym.

I THINK YOU'RE RIGHT—Lupe Anaya talks with Coach Farnsworth.

Out With The Old and In With The New

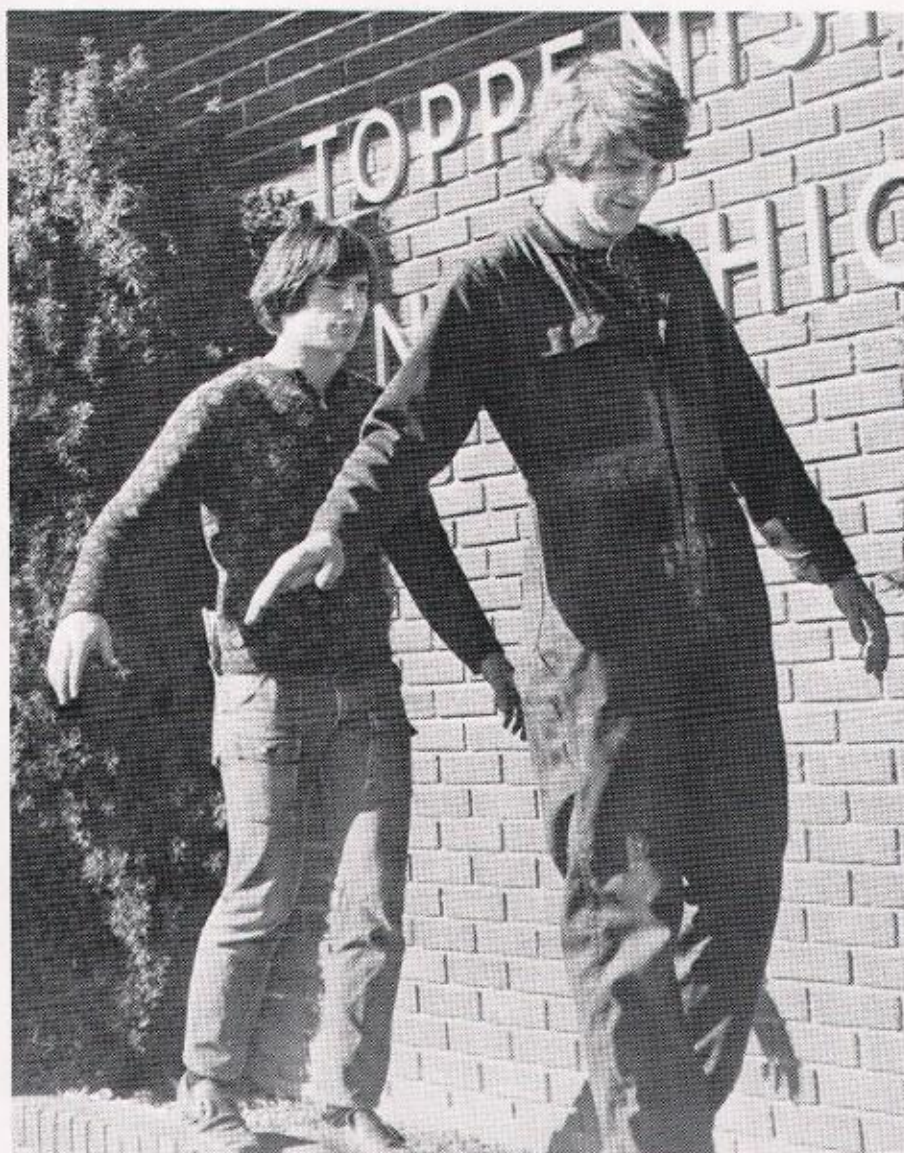

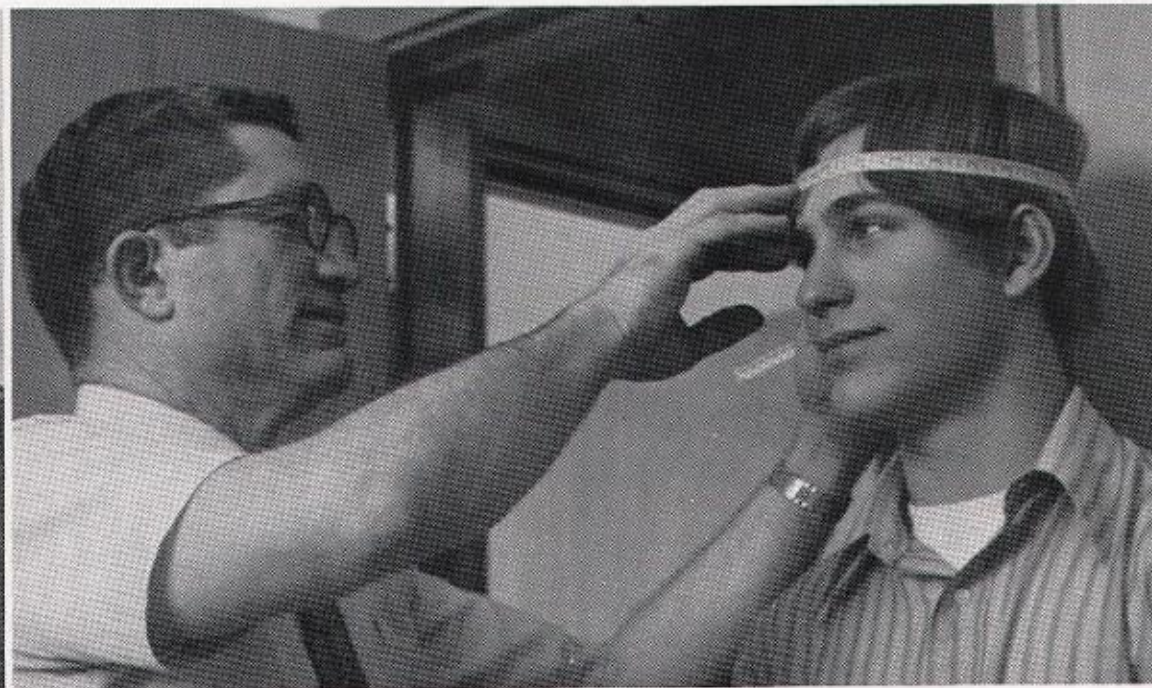

DECEMBER—Basketball games and wrestling matches start off the winter season. Students compete between classes to collect food for a local foodbank. Everyone gets into the Christmas spirit by setting up Christmas trees atop the gym, in the library, and in the office. The Top-Hi Choir combines with the Zillah Choir to usher in the Christmas season with a concert in the gym.

JANUARY—A donkey basketball game is held and proceeds are used to buy an ice machine and wrestling scoreboard. Ski Club members begin their skiing season with a trip to White Pass. Wrestlers open up their league season after Christmas vacation with three league victories and only one loss. The basketball team continues to improve and move into third place in league standings. Ranch Party takes place January 27. Debbie Clark is crowned "Miss Toppenish" with Cindy Potter and Marlene Kinder as runners-up.

FEBRUARY—Seniors start February with the ordering of graduation announcements. The District Basketball Tournament, February 26, marks the close of the basketball season. The Top-Hi wrestlers have a successful year and eleven matmen go to regionals. Dennis Peterson, Jack King, and Jim Sevigny go to state for further competitions. Choir and band travel to a group contest in Kennewick.

Busy Days In Spring

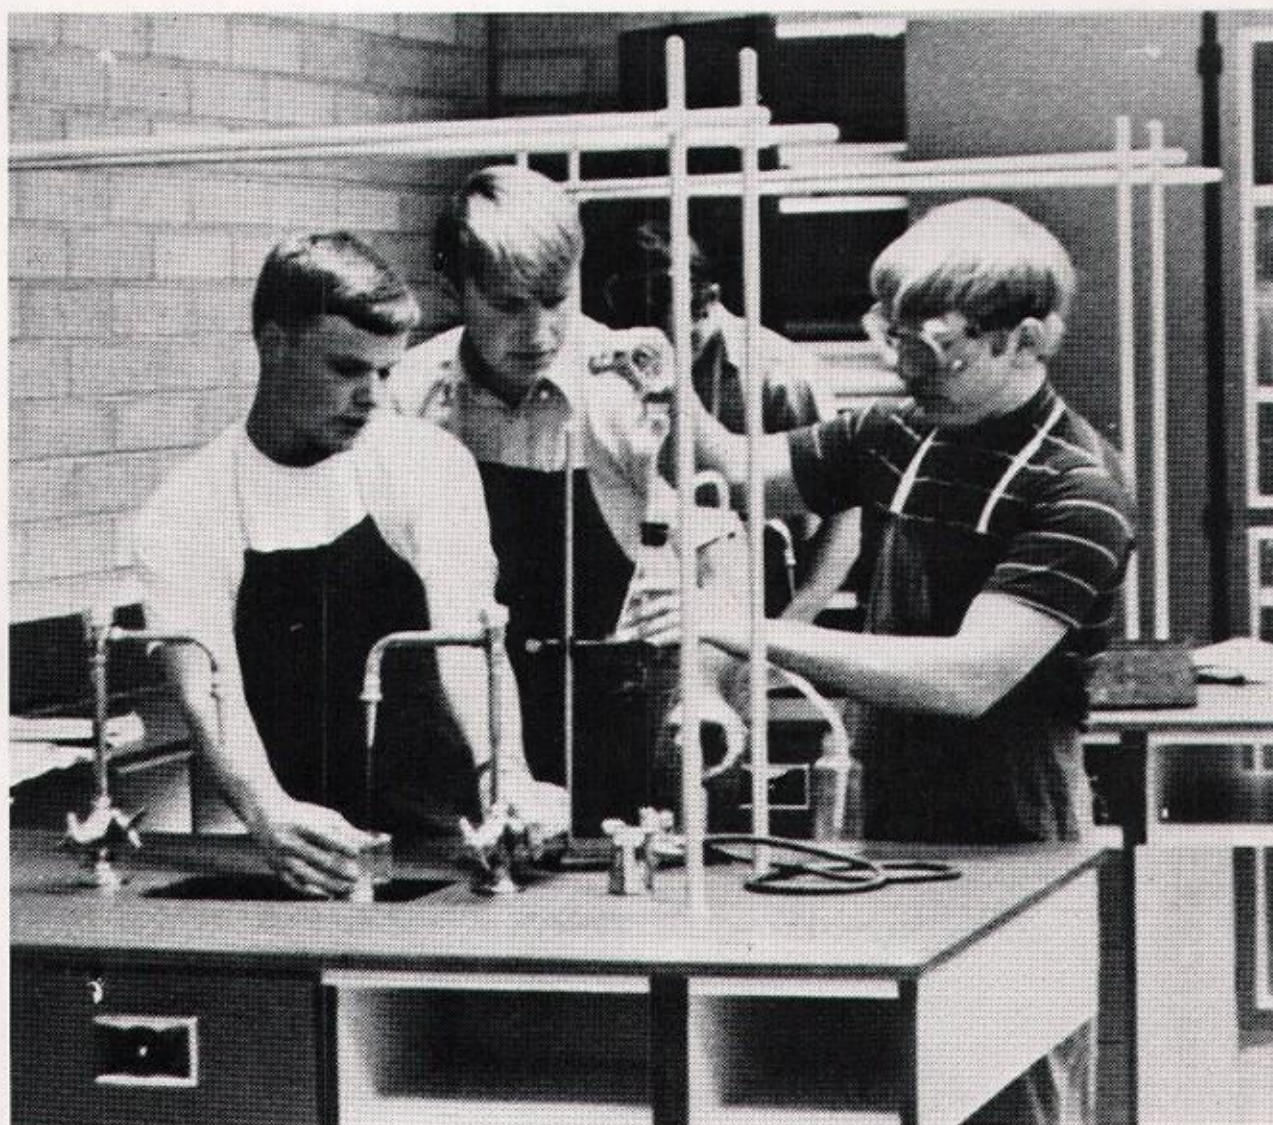

IT WON'T HURT A BIT—Jim Berg, Mike Sander, and Richard Kearnes have their heads measured for graduation caps by Mr. Cook.

JUST A LITTLE FURTHER—Jim Walker and Jim Helms do their balancing act.

IS IT "A" OR "B"—Barbara Peterson, Jimi Burgett, Aurora Tobias, and Mary Contreras do biology on the lawn.

JUST A LITTLE MORE—Tex Reid and Guy Hoon watch as Gilbert Seefeldt pours sulfuric acid into the sodium chloride.

"TAKE IT EASY BRIGHT EYES"—Leon Johnson, Kevin Barr, Becky McClain and Cecilia Ramirez go through their parts in "The Belle of The West."

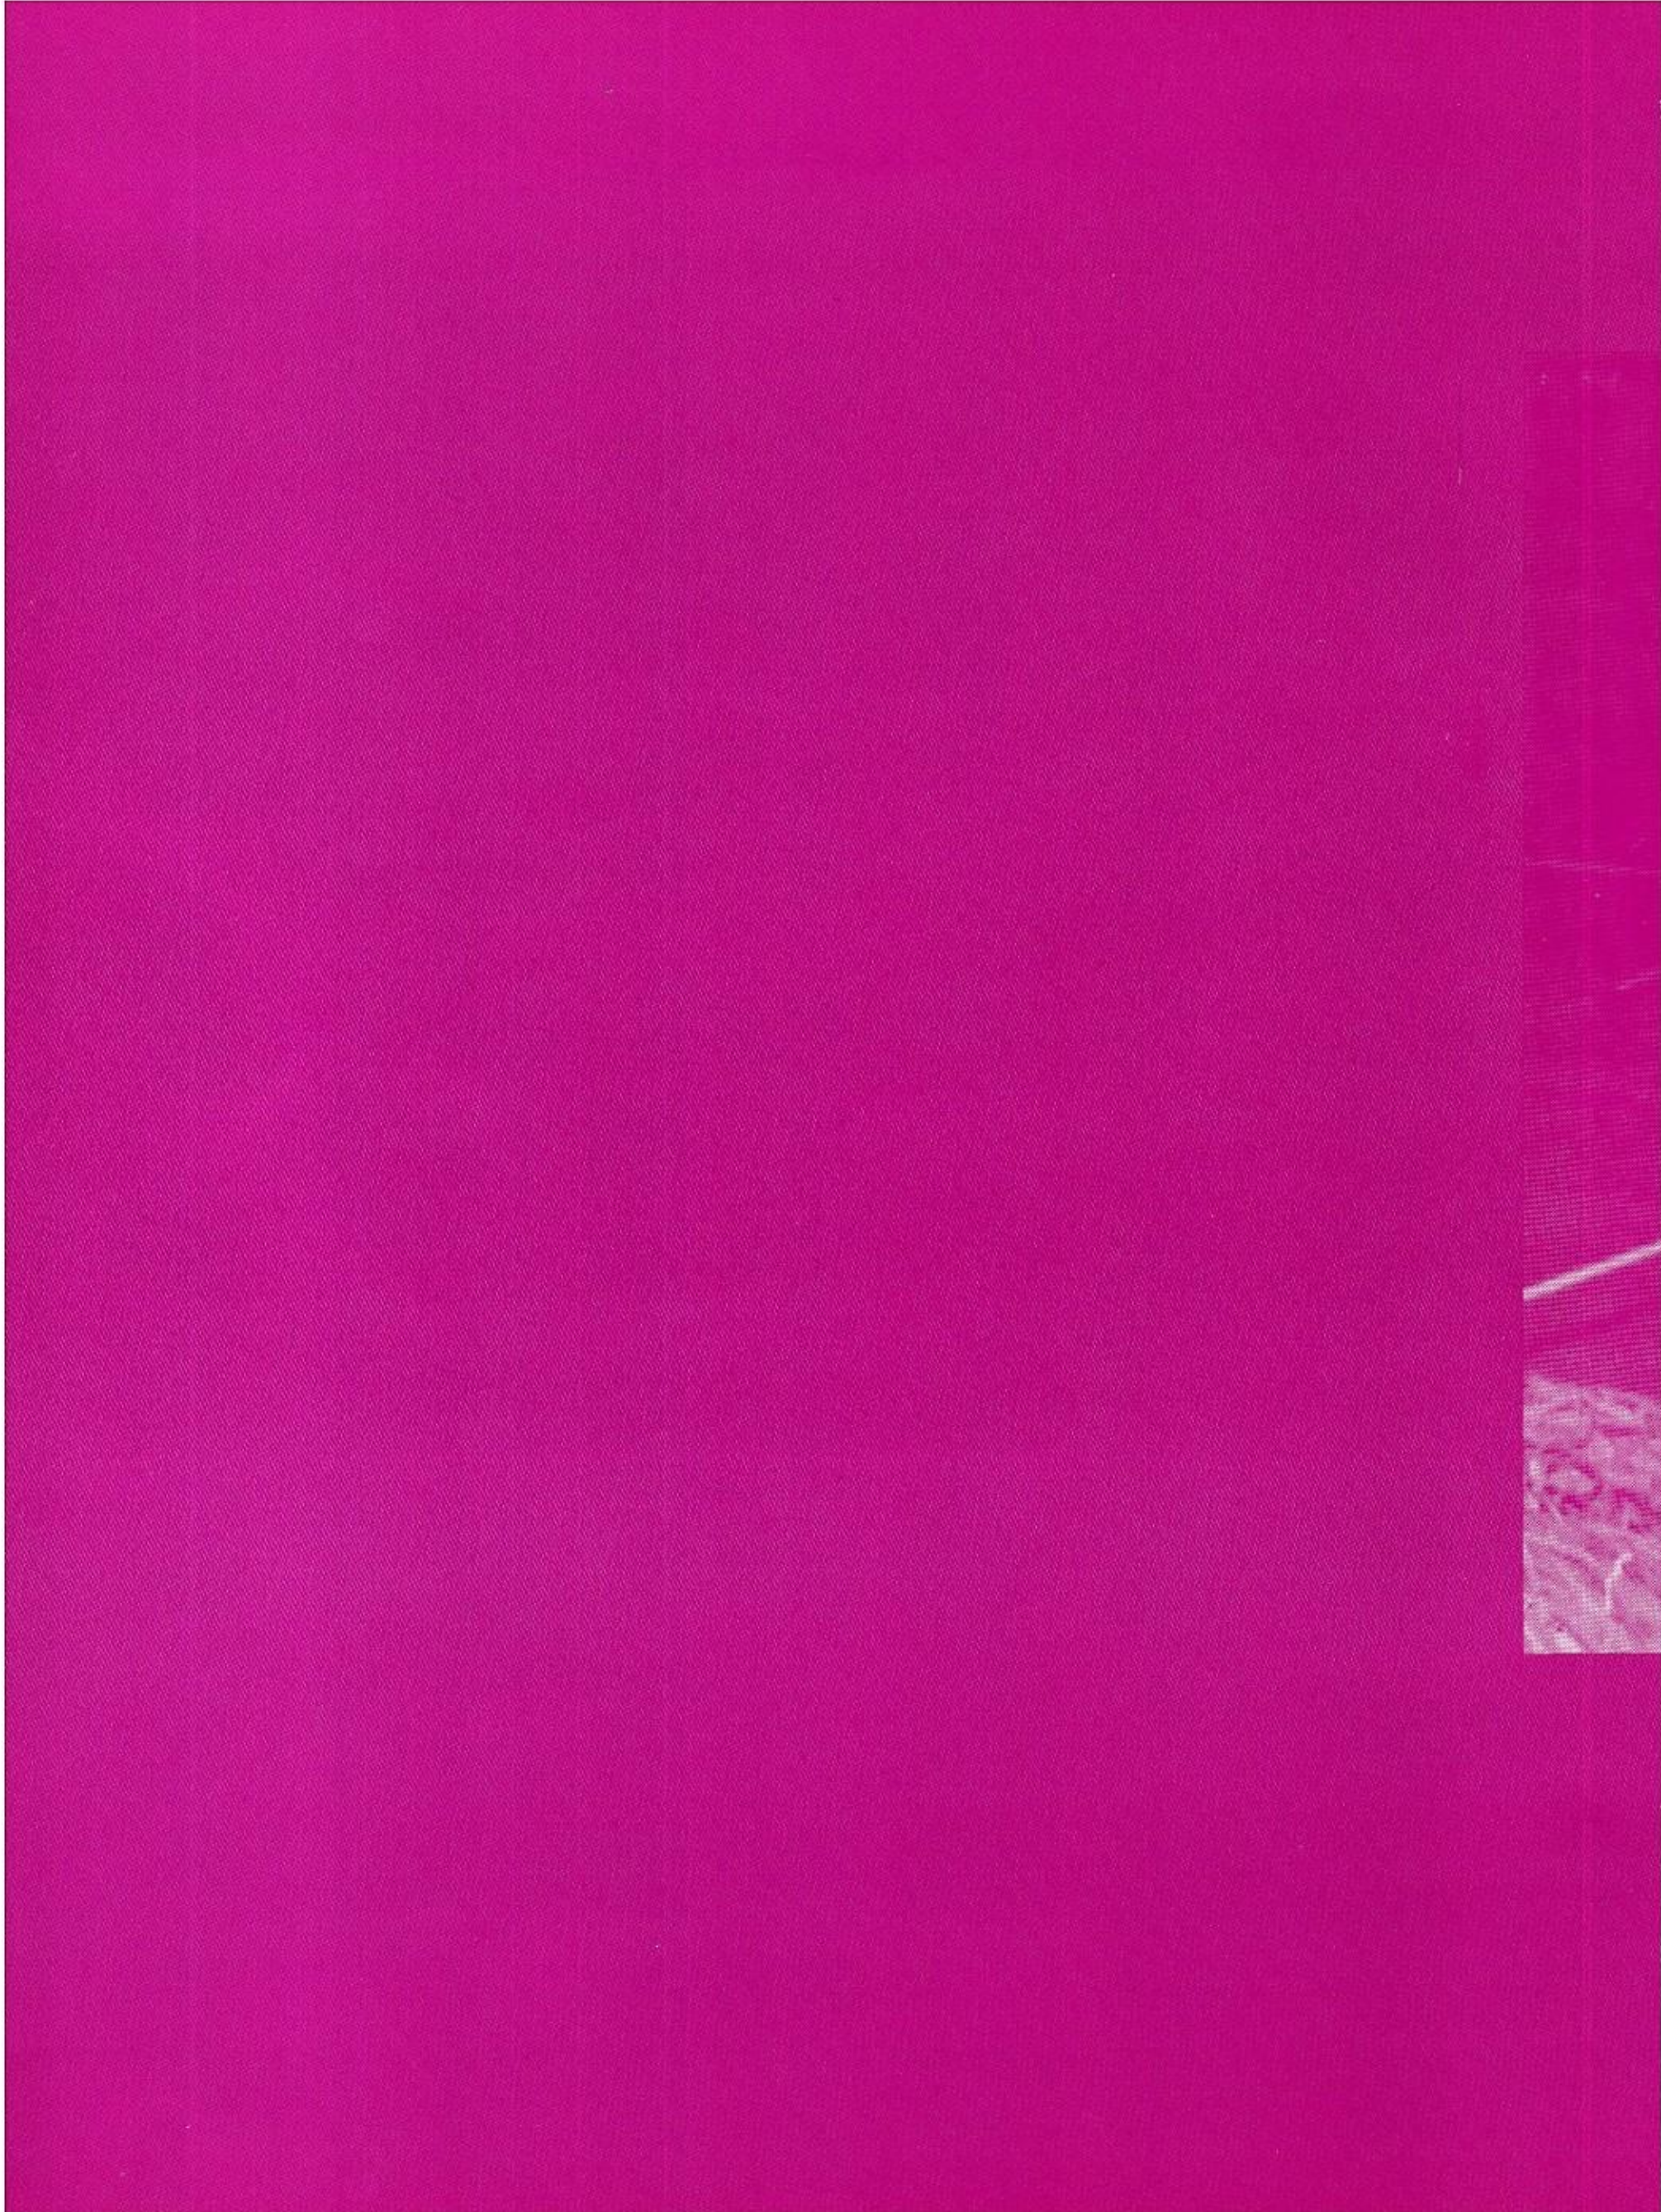

MARCH—Girls' and boys' track, tennis, golf, and baseball composed the spring sports line-up. "Helms" team closed the intramural basketball season by winning the championship. Teachers and students pitched in to move supplies and equipment to the new high school building on Tuesday, March 28. Wednesday, Work Day, students earned money to buy new furniture for the student lounge. Thursday was report card day. Only one more quarter to go!

APRIL—English students and faculty began writing Learning Activity Packages. The Senior Mothers' Tea warned the upperclassmen of the few remaining weeks. A first for Top-Hi was Jim Sevigny's winning of the free-style wrestling gold medal. Creatively decorated in two-tone blue, the Junior-Senior Prom added to the end-of-the-year festivities. The band collected booster money to finish the month.

MAY—Assemblies for campaigning A.S.B. candidates, Rally Squad tryouts and basketball awards brightened spring days. Ski club members made their last runs down the sunny slopes. Classes and clubs prepared for that final day. The choir performed the musical, "Belle of the West," before Toppenish audiences to initiate the new stage. "We did it!" The Manhattans went to Oregon for the All Northwest Swing Choir Competition where they placed second. The band entertained at the Toppenish nursing home. Mr. Mathis' drama classes staged several comic plays in the last few weeks. For seniors the last days meant baccalaureate, an honors assembly and finally — graduation!

JUNE—For sophomores and juniors there was one last week of finals, fines, lost books, and report cards.

Drill team members received new outfits for the 71-72 marching season. In colors of red and white, the thirty-six member team entertained hundreds of viewers during football and basketball half-times. These girls proved their "loyalty to the cause", by showing up for early 7:30 A.M. practices and evening 7:30 P.M. practices faithfully.

Rally Squad members also added to the excitement and spirit

by leading yells and songs to support our teams. Their mascot this year was little Jenny Smith. These eight eager Wildcats build spirit during assemblies with vitality and skits.

The music behind the girls of the Rally Squad and all of the spectators' yells was provided by the Top-Hi Pep Band. Though small in number, this group is full of pep and spirit. They play for pep assemblies and all home games.

TENSION—Lettermen Jim Seigny and Guy Hoon discuss the shot while Rudy Leon, Vernon Lacell, Ricky Bowles, and Bob Walker look on intently.

On August 31, 1971, the first meeting of the year for the group in Pep Club came to pass. Luncheons followed in the girls locker room, where several items of importance were discussed—plans for building spirit at Top-Hi and ways to earn money. Pep Club contributed to the 71-72 year by promoting spirit at assemblies and games, and making signs to put in the hall. With Homecoming preparations and rooters buses to get underway, the Pep Club fought on to keep Top-Hi's spirit at its peak during the cold fall and winter months. Soon the new members came to play a big role in Pep Club, relieving the old members of their regular game chores, such as ticket-taking. This gave the Senior girls a chance to enjoy themselves and give the spirit at Top-Hi a boost for the better before their career in Pep Club ended.

Talon Club members parked cars for all the home games, both football and basketball. The club aided by advisor, Mr. Blake Lott, helped Top-Hi get into the Christmas spirit by putting a Christmas tree atop the gym. The club also sponsored a thrilling pie eating contest again this year.

The Lettermen's Club had a busy season this year, being paddleboys for all the home football and basketball games and raising the flag as part of the pre-game activities. Their only fund-raising activity was the Donkey basketball game held on January 31. Once again the game proved both exciting and hilarious with the Zillah Lettermen vs. Top-Hi FHA and the Top-Hi lettermen vs. Zillah FHA. The Top-Hi Lettermen were defeated in the championship game by Zillah.

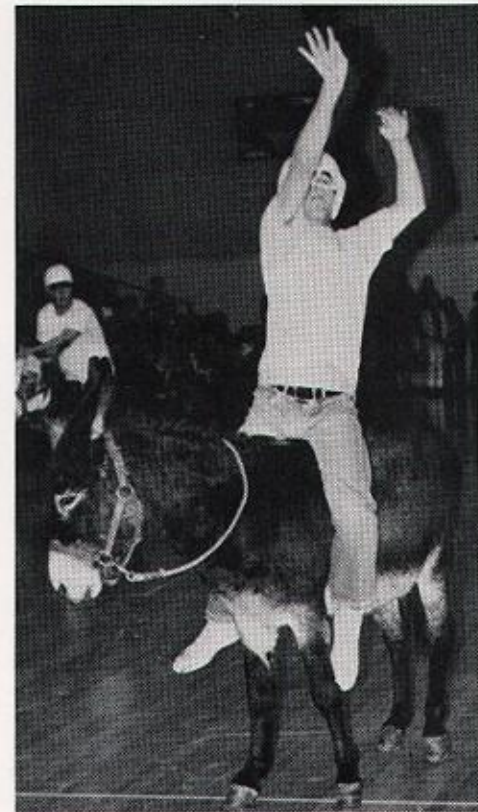

HUFF AND PUFF—Barry Halvorson and John Janachek are hard at work as they finish lining the parking lot for the game Friday night.

FUN TIME—Mary Escamilla, Norma Ramirez, and Sue Evans all laugh as they listen to gossip at a Pep Club luncheon.

THE ARTISTS—Drawing posters means fun for Robyn Tanneberg and Cecilia Ramirez as they draw homecoming posters.

BASKET—Joe Garcia coaxes his donkey just close enough to the basket to go for two points.

This year the fighting Top-Hi Wildcats ended a great season with an 8-2 record. With only one league game loss to the Sunnyside Grizzlies, the 'Cats grabbed second place in Mid-Valley league competition. Using this defeat as a stepping stone toward victory, they went on to down the Ellensburg Bulldogs in one of the most exciting games of the season.

On November 12, in almost zero-visibility fog, the 'Cats were stopped by Pullman in the last game of the season.

This great season closed with the traditional football banquet. Awards given were Mr. Defense to Rick Harris, Ron Hovis to Rick Shields, and Co-captain to Guy Hoon and Rick Shields. Outstanding Jr. Varsity players were Jon Bremmer and Joe Pinkham; outstanding tackles were Rick Schutz and Mark Bouchey.

Think Snow!

Through the darkness of many cold winter mornings, these devoted skiers set off for the slopes on a bus loaded with skis, poles and boots. Advisers Richard Otto and Marianne Haba joined the club on the runs.

Their first outing took them to White Pass. Later trips carried these snow fans to Satus Pass, too. Sunny days saw them racing downhill or, sometimes, slipping on the too-wet snow.

After an invigorating day on the hill, the club took time in the afternoon to relax in the warm lodge with a snack and some talk. Winter days in the sun and snow may have been reward enough, but many of Top-Hi's Ski Club also received trophies for their efforts.

Today's Intranas

Early winter marked the beginning of the intramural basketball season. A large turnout resulted in the selection of eight team captains instead of the usual six. Captains this year were: Rick Shields, Jim Helms, Mike Sandberg, Gilbert Seefeldt, Dan Uscola, Rick Desmarais, Alan Wolfe, and Jim Walker. Toner's team posted the best regular season record, winning 15 and losing two. Seefeldt's team was close behind with a 14 and three record. Dan Ramos, playing for Seefeldt's team, took the scoring title, averaging 42 points per game. Adviser Blake Lott was called upon several times to substitute for absent players. Playoffs were held the week of February 21. The championship game was on March 1. Jim Helm's team prevailed winning 81-64 over Seefeldt's team.

BOY TALK—Kent Oliver, Alfred Tobia, Jim Sevigny, Frank Agurrie, Kevin Barr, Tom Sevigny, Richard Friss, Ricky Bowles, Jim Navejar, Danny Burgett, John Castilleja.

With a team of eleven strong, willing boys Coach Tom Shellenberger worked to develop a fine, fast-moving team.

Though little support was offered to these boys, they all fought to build up their breath control, and many, many hours of calisthenics helped build leg muscles and prepare them for other sports during the year. Though, at times, the weather was a little rough with snow, rain, wind and sometimes darkness, the team never failed to run in a meet. All in all '71, was a successful year for the Cross-Country team at Top-Hi.

At the award assembly Kevin Barr and Jim Navejar were named Honorary Captain and Mr. Inspirational. Kevin Barr and Rick Shaul were sent to the State Tournament in Seattle. Those members receiving letters this year were Kevin Barr, Jim Navejar, Richard Bowles, Danny Burgett, Alfred Tobia, Jim Sevigny, Tom Sevigny, Kent Oliver, Frank Aguirre and John Castilleja.

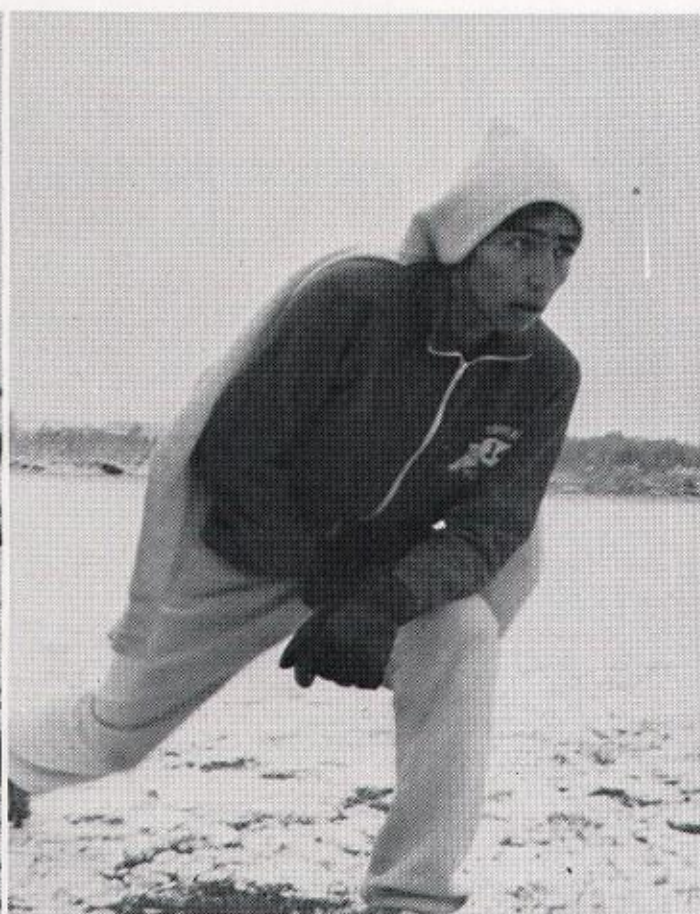

"THE TRAIL OF THE YELLOW DUCK" came to an end for this year with promises for a better year in store.

The new wrestling coaches Mr. Gerry Farnsworth and Mr. Bruce Johnson were ready to work hard at gaining the experience needed for a year of rough and tough wrestling at Top-Hi.

The season started off with weeks of hard physical training and a strict program of calisthenics to help increase endurance—a major wrestling requirement. As the first meet approached new holds and other techniques were introduced making the job of overcoming an opponent much easier.

With all this in mind the grapplers succeeded in taking hold of second place in the Mid-Valley League. Three of the wrestlers gained berths in the tournament at Bellingham. Jack King, Dennis Peterson and Jim Sevigny wrestled their respective weights pulling fifth place titles for Peterson and Sevigny and a twelfth place title for King.

The Japanese Wrestling Cultural Exchange Team provided a challenge for our valley wrestlers. Jim Sevigny had the privilege of wrestling their world champion.

At the annual wrestlers' banquet awards were given for Mr. Inspirational to Jack King, Honorary Captain went to Jim Sevigny. Two new awards were given out this year, the Sandbagger to Eric Johnson and the Order of the Pink Hood to Casi Castillo.

1972 Teamwork

The Top-Hi basketball team showed great potential under their new head coach Mr. Bob Winters and assistant coach Mr. Dave Allen. Both men are in their first year of basketball coaching.

Although not a success from a win and loss standpoint the '71-'72 season served as a good year for gaining experience for 1973. The Wildcats had a season record of 9 wins against 13 losses. Among the three returning starters for next year's squad is Fred Anderson, the Mid-Valley League's leading scorer, averaging 19.5 points per game.

Coach Bob Winters is looking forward to substantial improvement in next year's team.

The team chose Dick Martin as Honorary Captain and Bill Bourgeois as Inspirational player.

"BIG JIM"—Fred Anderson pumps for two.

"FLASH"—Sophomore Randy Delp handles the fast break.

Batter Up!

The 1972 baseball team came through a tough schedule this year and finished tied for fourth in the league. Coach Richard Otto started off the season with twenty-two hopefuls, most of whom were sophomores. There were six returning lettermen and several promising sophomores in the starting line-up. The baseballers immediately broke last year's thirty-two game losing streak in the second game of the season and went on to post a respectable record of six wins and fourteen losses. Errors plagued the squad throughout the year but strong hitting and lots of hustle compensated for these errors. This year's squad was backed by "B" squad and pitching coach, Mr. Walt Milewski.

"IT'S A HIT!"—Larry Meyers makes a mad dash for first base.

WATCHFUL EYES—Coach Milewski, umpire Winters and the catcher watch as John Long follows through.

"BREAK TIME?"—Paul Dalton and Gary Barnes question Dale Hagerman's rest period.

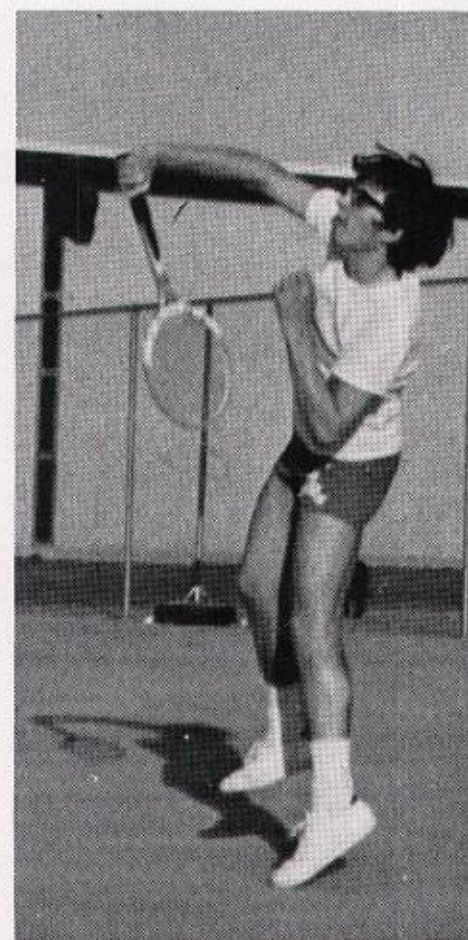

Six boys and their coach practiced nightly with the determination it took to make the tournament. Part of their practice consisted of driving and picking up golf balls, putting contests and a round of golf at the club. They ended the season with seven wins and no losses to take the Mid-Valley Championship, and one loss to Sunnyside to take second in District.

Team members are: Coach John Bator, Frank Andreas, Gary Barnes, Neal Cummings, Paul Dalton, Dale Hagerman, and Scott Stobaugh.

Get into the Swing of Things

After fighting wind storms and rainy weather the tennis team wrapped up a fantastic season with a total of 10 wins, 4 losses, and 3 ties. Hard practice paid off with the girls' doubles team of Vivian Mirosh and Cindy Hagerman remaining undefeated up to sub-district.

The spring tennis team was: Vivian Mirosh, Cindy Hagerman, Renee Brulotte, Sandi Smith, Denise Bouchey, Kaelin Van Leuven, Monica Rameriz, Jeanne Humphrey, Carol Unruh, Frances Burke, Jim Clayton, Wally Morrison, Rick Lozano, Charles Meigs, Dan Story, George Meiser, Tom Daniels, Junior Ozuna, Bruce Winterfeld manager, David Kinney, Dennis King.

Coach Shellenberger's team had another bright spot in the two mile with Greg Engbretson, a transfer from Idaho.

Miss Trevino guided the girls' track team through their first and very eventful year. The senior high members were boosted by a big ninth grade turn-out. Twenty girls qualified for the state meet at Goldendale.

BUSY MONTH—A.S.B. officers: Sec. Margaret Aichele, Vice Pres. Bob Walker, Act. Mgr. Keith Sweezee, Pres. Guy Hoon and Principal A.J. Strom look over the filled calendar. Not Pictured Sec. Becky McClain.

Eager and full of ideas, the 1971-'72 A.S.B. officers and Board of Control representatives plunged into the year. Students found them doing such things as selling A.S.B. cards, sponsoring Work Day, and leading and approving all student body projects. Board of Control members supervised all Homecoming preparations and had the final word on all sports letters and awards.

In July and August newly elected A.S.B. president Bob Walker and secretary Kaelin Van Leuvin attended leadership camp to gain new ideas and knowledge for the 1972-'73 school year.

Top-Hi choristers warbled their way through a wonderful year, singing performing and acting. During the year, the Choir attended contests and gave concerts. The swing choir, Mannhattans, sang for several clubs and dinners, went to contests, including the Mount Hood Swing Choir Contest, and to various grade schools, and took the long awaited tour of schools from Prosser to Tri-Cities, accompanied by the Jazz Trio. The choir gave their rendition of life out west in the operetta the "Belle of the West" in May; after which the choir showed their gratitude to Mr. Burr for being an understanding director, by getting together and giving him a gift.

Labor Day parades at Ellensburg and Wapato led off the year for the Top-Hi Band.

A handful of faithful members turned out for the homecoming parade. Early morning practice kept band members in shape for future parades and the half-time entertainment presented at two football games. Besides the usual frustrations of frozen horn valves and dead batteries, things went successfully.

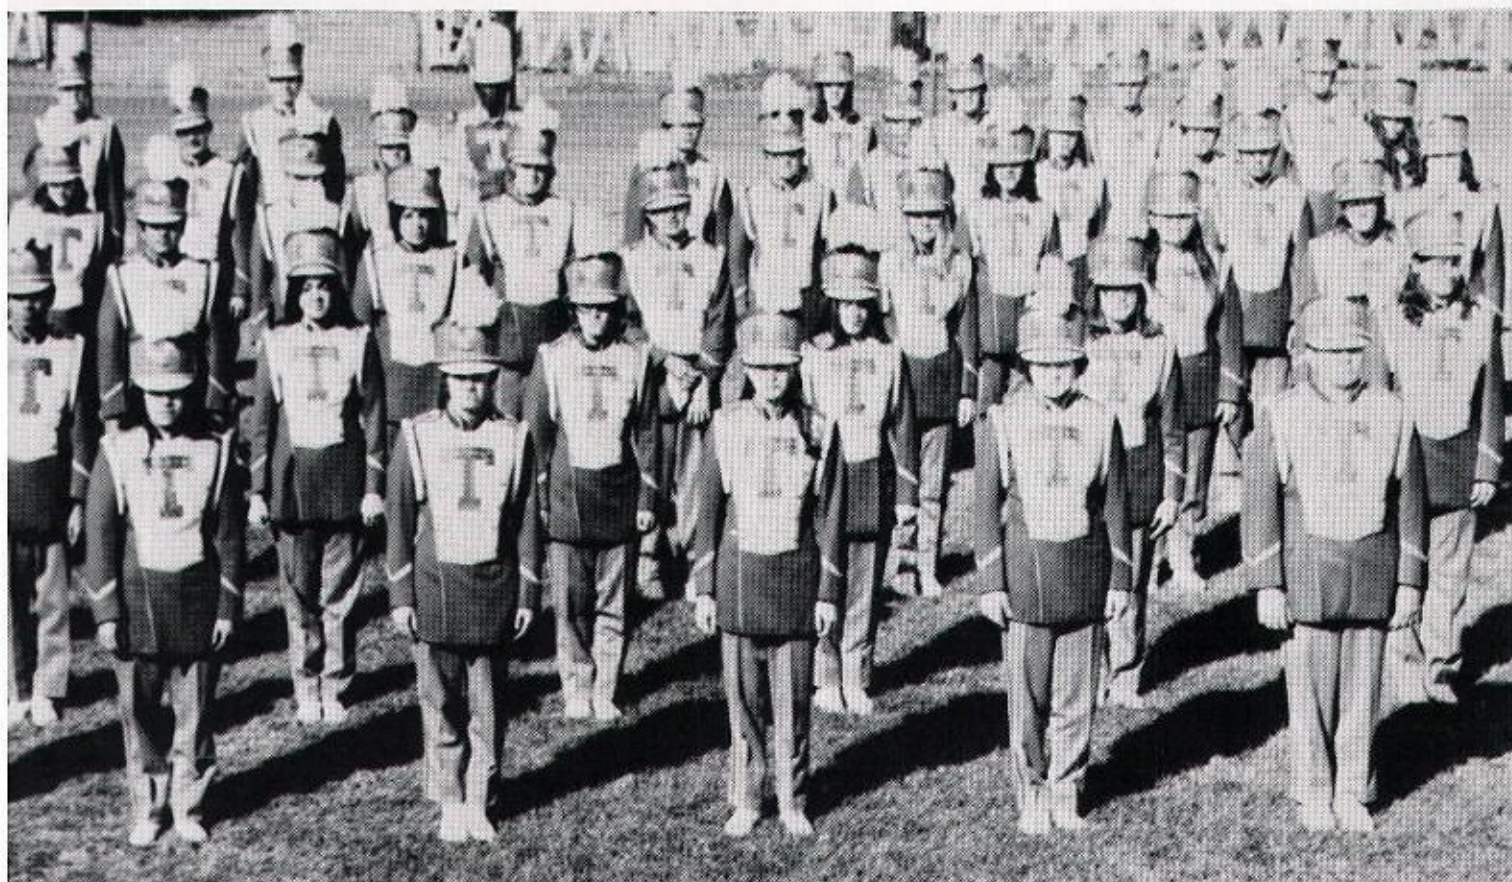

"A Frog Went A-Courtin'" sung by Mary Carter, was the theme for the band pep assembly to boost school spirit.

Basketball season brought a surprise as the majorettes stepped onto the Top-Hi court. Judy Phillips, Janice Eilers, Cindy Pardo and Marlene Lamebull performed their long learned routine.

On February 24 the band traveled to Kamiakin High School for a group contest; Mr. Gerald Burr directed, substituting for Mr. Carl Tollefson who was ill.

The spring schedule included many parades. One day was reserved to collect money for payments on uniforms and expense money for the trip to the Spokane Lilac Festival which each member eagerly anticipated.

The FTA Club offered ten girls the opportunity to learn about the field of teaching. Two of the girls actually took part in assistant-teaching at Toppenish elementary schools. They were Judy Phillips and Toni Solis.

The club's main goal was to give these students experience in different areas of teaching and knowledge for the future. Their main activities included serving the teachers at the FTA banquet at the new high school. Gifts were exchanged at their annual Christmas banquet. All in all the year was very successful.

Several meetings set the scene for a busy 71-72 year for all the members of Torch. Business-at-hand consisted of many

annual duties such as the program sales at games, concession stands, and advertisement for the AA Basketball tournament programs.

The Honor Society also made time for putting on a pep assembly, followed by persistent efforts to purchase a new flag for the new senior high building. Time, patience, and hard work made this a very prosperous year for Torch.

The Future Farmers of America started off the year at the Central Washington State Fair with the yearly fair booth. Other activities in the year included the hayride in October and serving at the ranch party in January.

Spring brought the annual FFA banquet at which Mr. Babich was presented a trophy from the chapter. Serving at the FFA Banquet was next, in their blue and yellow jackets and big smiles.

May 1, 2, and 3 brought the Central Washington Junior Livestock show. The FFA members were excused from school to prepare the pens for the squealing pigs, wooly lambs, and kicking steers. The third day of the show, having sold their animals and feeling rich, they picked up their forks and began the clean-up of the grounds.

Now under peace and quiet the chapter prepares for the coming year.

"U and I Sugar"

The October initiation got the FHA girls off to a bright '72 year. "U and I Sugar" was their motto, which received a great applause from the other schools during the Soap Lake Convention. Carolling December 23 at the nursing home and Toppenish hospital highlighted the Christmas season. During three basketball games the FHA girls ran the concessions and sponsored an after-game dance. Serving at the annual FFA banquet showed the club's interest in helping others. "Our World is Your World" was the '72 theme at the traditional FHA banquet held in April when the officers were installed.

Activities during the '72 trail were supervised by Miss Cecilia Quirk. The theme was the FHA members' promise to her.

Live and Learn

For the new members joining the Girls' Athletic Association the '72 year started out as embarrassment with the annual initiation. For old members it was an initiation with lots of laughs as songs were sung and eggs were thrown. The three pigtails and bobby socks added to the laughter. Money-making projects included the selling of parkas, T-shirts and sweat shirts which sold quickly. Candy selling was the biggest money-making project for the association. G A A also ran the concession stand during the basketball tournament.

All these activities and the school games help the girls to earn points so they could join Pep Club and then receive the GAA pin.

TEAM WORK—Fred Reimer and Joedy Clements are ready to sell yearbooks to classmates.

The booster drive led off the year for staff members as they were excused from a day of school. At mid-term they acquired two new members, Jim Seigny and Rudy Leon. They led a membership drive in May for staff next year, and ended with an initiation of '71-'72 members and a final shipment of copy.

Throughout the year the staff busied themselves with layouts, picture cropping, and copy. There was a Saturday training period where former staff members helped new-comers with yearbook problems. With a staff of nine, they worked together with Adviser Jennifer Pryor, and Editor Terri Taylor to build a good record of the year's activities and events.

Under the leadership of editor Margrett Aichele, the Caterwaul staff did their best to cover the activities of the year in editorials, articles and pictures. With a new journalism class and a new composing stick to back them, the paper became a more regular sight and part of Top-Hi. In addition to the regular columns were a Word from the President, Mike's Music Column and, of course, in the final issue, the Senior Wills.

Two other students also were kept busy reporting about Top-Hi. Neal Cummings and Cam Spicer covered the years events in the printed pages of the Toppenish Review. Sports coverage of Top-Hi in the Review was done by Mr. Bob Winters in "Coaches Corner."

Senior Prince & Princess Danny Burgett and Becky McClain

To open Top-Hi's Homecoming festivities Mr. Gerald Farnsworth made the introductions of the court. Sophomore Prince Doug Pecheos and Princess Paula Long led the path for Junior Prince Bob Walker and Princess Sherry Williams with Senior Prince Danny Burgett and Princess Becky McClain close behind. Finally the awaited moment arrived, the grand entrance of King Jim Walker and Queen Pam King. With the crowning of the royalty, Homecoming had begun. The day ended with a great victory over Selah and the traditional homecoming dance which rounded out the evening.

On the evening of January 27th, three girls vied for the title of Miss Toppenish. After a steak dinner came the moment of truth. Only one could win. With the tense music of Mr. Gerald Burr, Mr. Jim Flint made the final announcement; "Debbie Clark!" was the new Miss Toppenish with Cindy Potter and Marlene Kinder as her court.

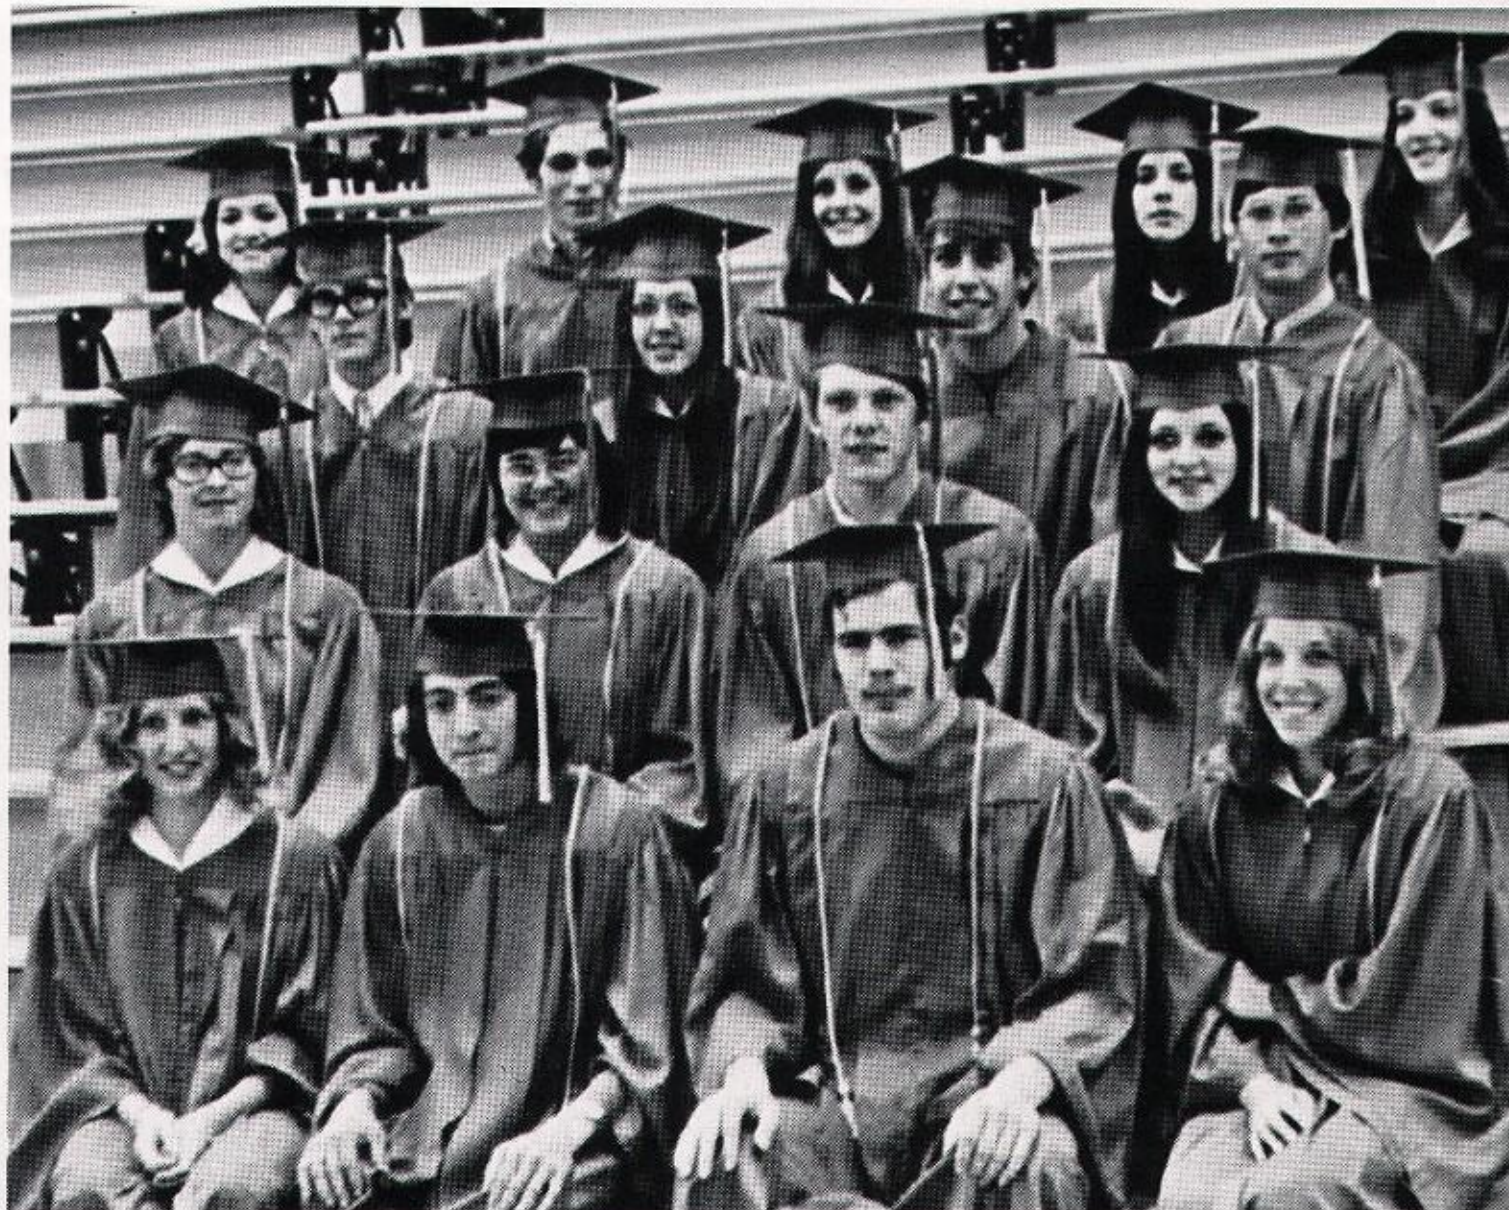

The Jr.-Sr. Prom was the last formal dance of the year. The Juniors chose the theme of "Imagine." The color scheme was a combination of light and dark blues with a fountain and a garden of radiant flowers adding atmosphere to an enjoyable evening of fun and dancing. Highlighting the evening was the coronation of King Joe Garcia and Queen Yolanda Escamilla.

ANTICIPATION—Joe Garcia and Yolanda Escamilla await the announcement of the Jr.-Sr. Prom Royalty.

1-9-7-4 who's more, we're more! The motto the sophomores hoped would come true. The class of '74 found senior high life a new and exciting experience. The class elected Scott Leach president, Gerry Desmarais vice-president, Rene Schademan secretary, Dave Kinney activity manager, and John Cerna treasurer. These students, with the support of their classmates and advisers, Mrs. Vera Stritzel, Mr. Gerald Farnsworth, Mr. Clifford Mercer, and Mr. Tom Shellenburger, worked out many money-making projects, including selling apples and sponsoring after-game dances.

Participating in and planning pep assemblies was a comparatively new experience to the sophs. When it came to vocal ability at these assemblies they came out on top. This spirit helped them to win a cake at the final pep assembly. Royalty for the Homecoming game was Princess Paula Long and Prince Doug Pecheos. Sophomores gave a big boost to the sports scene at Top-Hi and replaced the graduated members of service clubs.

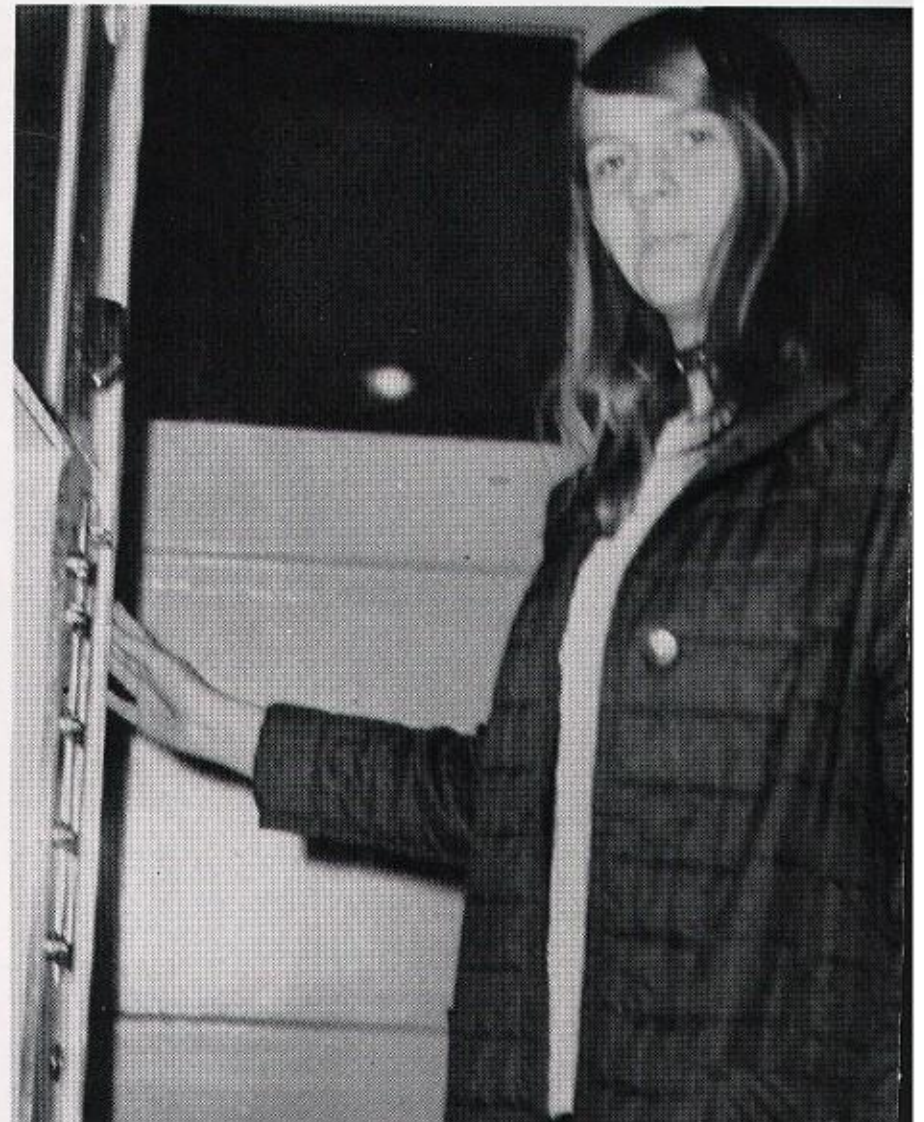

As the '72 year came to a close the Class of '74 realized that the spring of '74 was not too far away.

OFFICERS—V. Pres. Gerry Desmarais, Pres. Scott Leach, Treas. John Cerna, Act. Mgr. David Kinney, and Sec. Rene Schademan.

The class of '73 raised money by sponsoring aftergame dances and selling food at the concession stand during games. These hard working juniors also sponsored pep assemblies and took pre-college tests. They selected and purchased their class rings and, while holding many meetings to plan and decorate for the prom, they were aided by advisors Mr. John Bator, Mrs. Marie Shipman, Mr. Joe Weibler and Mr. Richard Otto.

The three years which the seniors once thought would never end reached their final days in 1972.

As sophomores they entered a totally new environment. They found the high school full of new activities and friendships. At the end of a busy junior year, they said farewell to the graduating class and became the senior class of 1972.

As seniors they were spectators and participators in fall and winter sports. Homecoming meant the crowning of their king and queen plus a first place float. When Spring finally arrived the thought of nearby graduation thrilled the whole class. The Junior-Senior Prom, final exams, the senior awards assembly and Baccalaureate added to the excitement. Finally Commencement and the all-night party ended their senior year.

In the coming years these graduating seniors may fondly remember that they were the Class of '72.

COMMON SENSE AND THE OPEN MIND—John Long advises the graduating class.

JUNIOR LEADERS—Kathi Mears and Richard Bowman.

DRESS REHEARSAL—June Bess tries on her cap and gown.

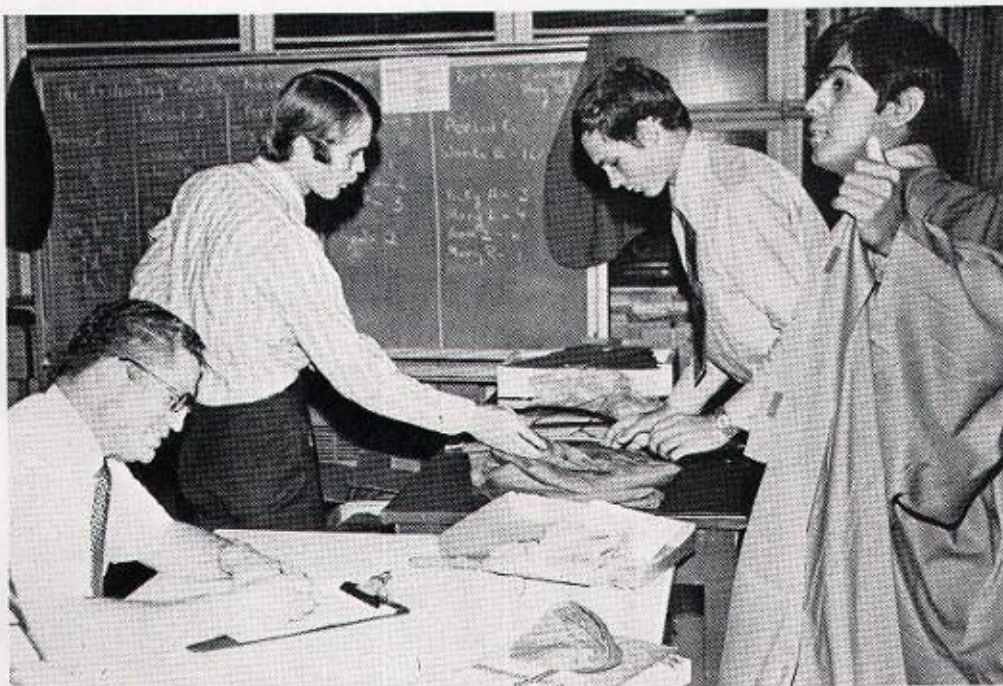

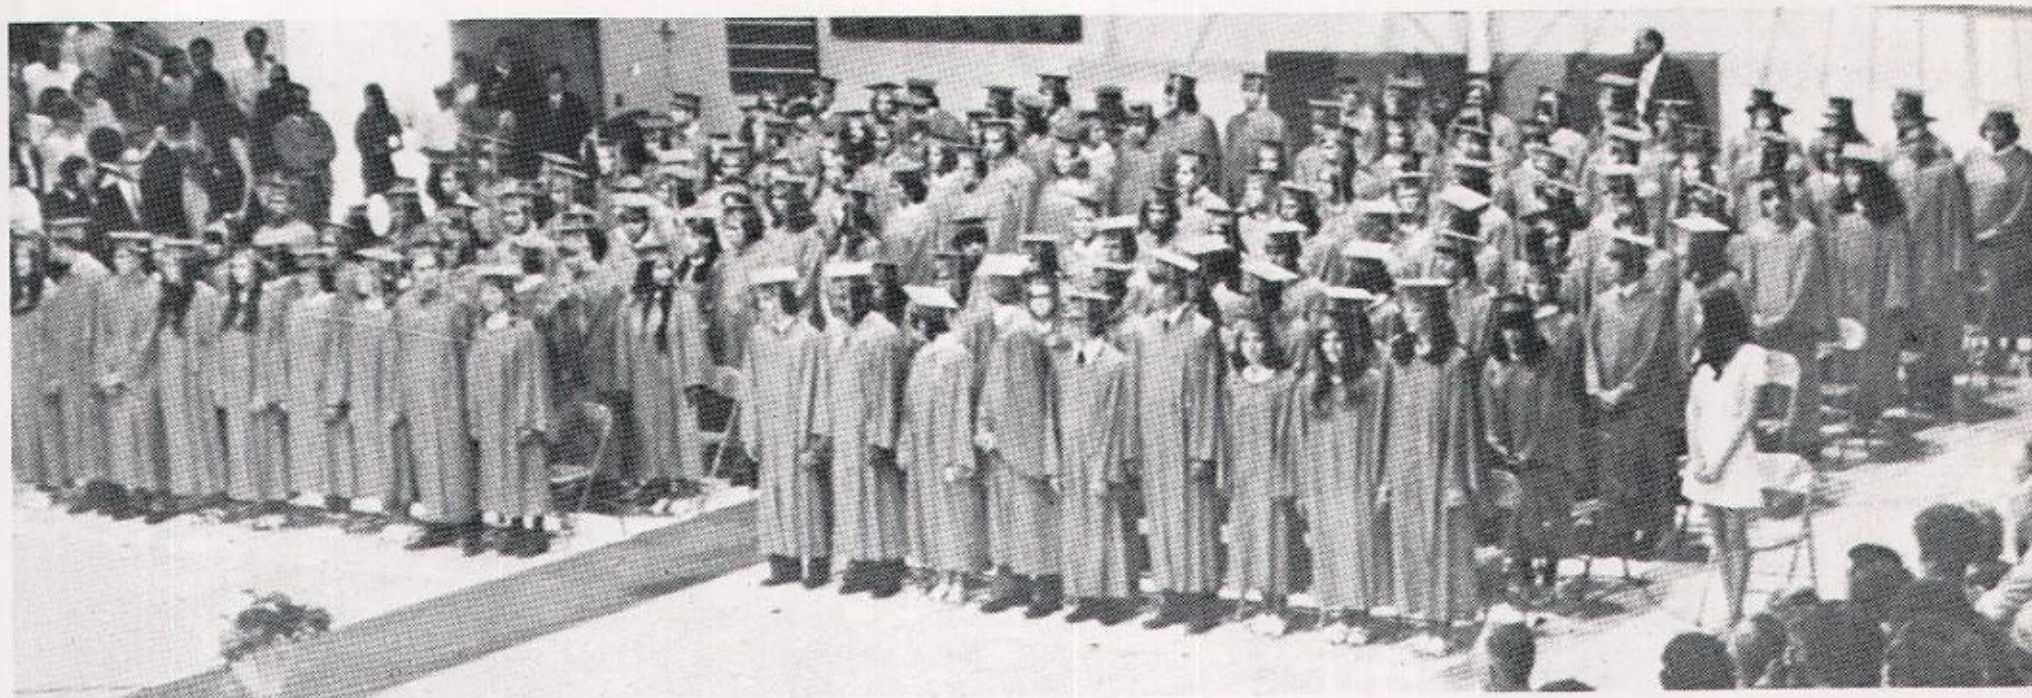

WRAPPING UP—Mr. Cook and Mr. Johnson check in senior robes for Kevin Barr and Rudy Leon.

I MADE IT!—Seniors say good-bye to Top-Hi.

To you, the class of 1972, thank goodness this year is nearly over for at least most of you. Someone once said that if you can't say something nice about someone, its better not to say anything. Well, I am going to say something, not much, and you have no chance for rebuttal. But here are a few suggestions from the establishment for which some of you have no use. You have your choice in the following: To be on time or be late. To accept responsibility or make excuses. To think for yourself or not bother to think. To get things done or alibi. To depend on yourself or on others. To face life's challenge or dodge it. To be honest or cheat. To work or to shirk. To love or to hate. None of these choices are excused or unexcused; they are your choices. These and many more you will face in future. We, your parents, relatives, friends, faculty, and I, will be watching you to see what your choices will be. Good luck and God bless you.

End of School

Whew!

I'm glad that's over.

But--

*"Parting is such
sweet sorrow. . ."*

We've come, we've gone;

And now we go

For our last round-up

Report card in hand

And friends in arm. . .

We've finished the year.

It's complete.

School is over.

The door is shut.

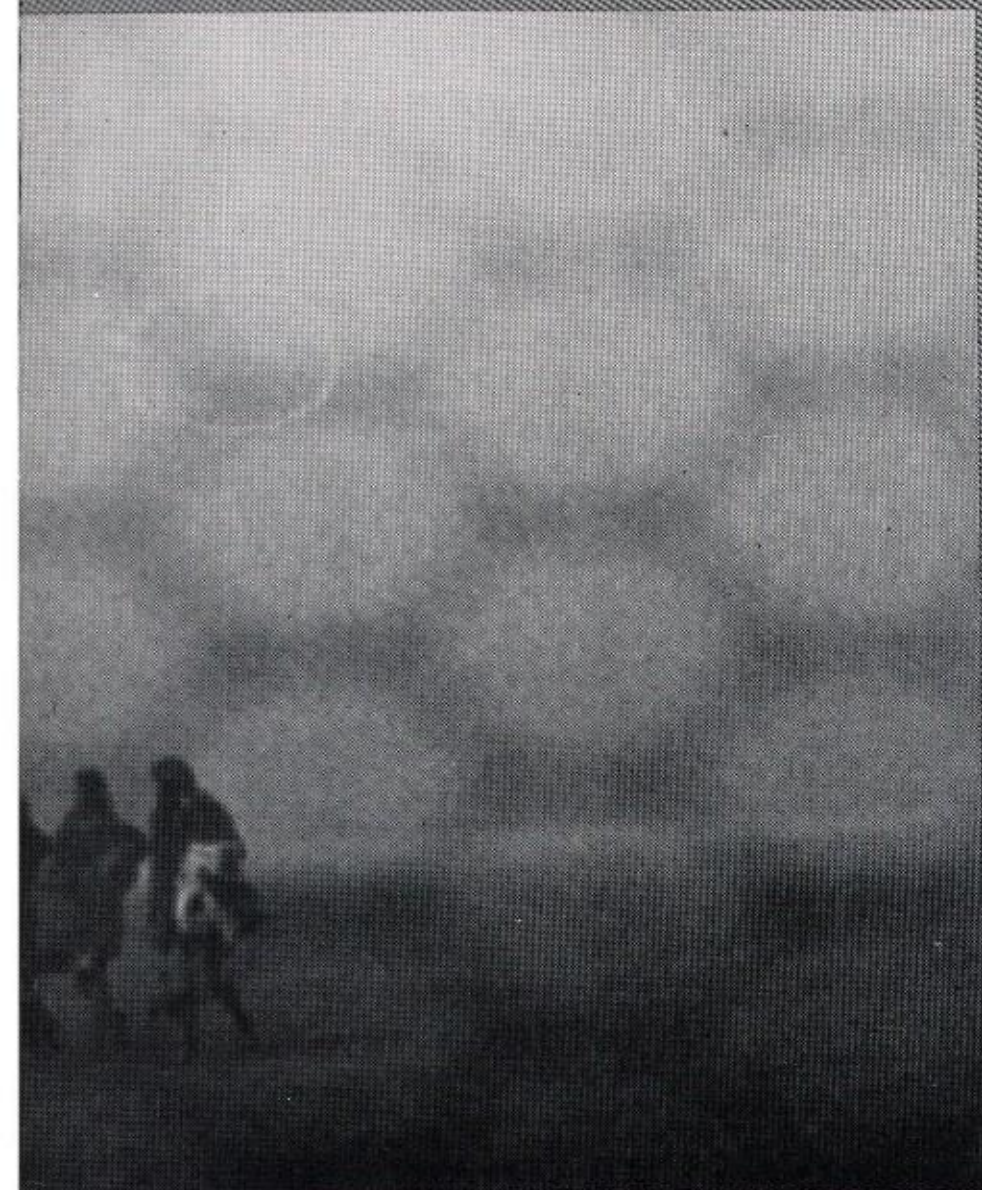

And yet,

"We've only just begun."
